GIVE THANKS

We give thanks for a very successful start to Lighthouse club on Wednesday. Twenty one children came and even though we had a less than expected number of helpers the children were well behaved.

We give thanks for the other churches in Tewkesbury with whom we enjoy a good relationship and with whom we work in joint outreach activities.

PRAYER

Pray for those who have lost loved one in the Italian Cruise Ship disaster.

For those in positions of leadership in the church

For God to add to our number those who are being saved

For the encouragement of Holy Spirit in our witness

That God would send us willing workers into his harvest field

CARING FOR LIFE (CFL, LEEDS)

Christmas has left us with many happy memories at CFL. We had some special lunches and a family Christmas party during the week before. Then on Christmas Day we had over 60 people here at the farm. The day began with some meeting at church and then on to the farm for a beautiful lunch, handing out of gifts (provided by our supporters) then lots of fun and games. Everyone left feeling tired, happy and most of all knowing the real meaning of Christmas and feeling part of the CFL family where they are loved and cared for. Thank you to everyone who made this day possible but most of all we give thanks to our Saviour. (Caring for Life Website)
